Letter Motion
Hon. Pamela K. Chen

JACQUELINE SILVER

Plaintiff,

---against---

THE CITY OF NEW YORK , NYPD
DETECTIVE MICHAEL GALGANO,
SHIELD NUMBER 3292 AS AN
INDIVIDUAL AND POLICE OFFICER-109
PRECINCT

Defendants ,

I am the plaintiff in the above referenced action. I am writing this letter for the judge to intervene in the above action. I have told the pro se office – Ricardo and others that I NEVER consented to a magistrate . I have told Joshua Kaufman multiple times in texts and emails that I never consented to a magistrate . Mr. Kaufman totally ignored me on multiple occasions, instead of acknowledging this , he sent me four or five letters to my po box . I refused to open them up as it is irrelevant because I NEVER signed any consent form.

Your Honor, I sent an email to Mr. Kaufman on March 15 which states that I was recovering from bronchitis. In the email , I informed him that I NEVER signed the consent

Page 2

form for a magistrate to be appointed. How could these two cases move forward with a Magistrate if I never consented to one ? Once again he chose to ignore this and sent me more correspondence. At this point I feel that I ^{Am} being harassed by Mr. Kaufman.

“ Pursuant to Rule 73 of the Federal Rules of Civil Procedure and Local Rule 73.1 , the parties are notified that IF all parties consent a United States Magistrate judge is available to conduct all proceedings in the civil action. Hon. Chen, it is very straightforward . It goes on to state in bold that “you may withhold your consent without adverse substantive consequences.” The form specifically states not to send in the form unless all parties have signed the consent . Plaintiff Silver is at a loss as to why Mr. Kaufman ignored my email and all the texts I have sent him pertaining to the above .

Per the Pro Se office , I was advised that if I have to change my address that I should email them the change in PDF format . On February 17th , I emailed the pro se office along with a letter stating that my P.O. Box was changed to P.O. Box 525 Manhasset , New York 11030. I have not received any correspondence from the pro se office in reference to the above action. When speaking with the head clerk in the pro se office last week , we discussed that they did not have my new PO Box .I told her I emailed it a while back. She could not find it and on June 7th I emailed her the email I sent on February 17th. I still have not received any correspondence from the court in reference to the above referenced action except that they gave the defendants an extension to answer my complaint-the above one, which I would assume

Page 3

would be null since I did not sign any consent form.

In reference to the 2nd action, Jacqueline Silver vs The City of New York, NYPD Detective John Seel et ano, plaintiff Silver never received the ruling from the Court on whether she was granted in forma pauperis until about a week ago when I contacted the pro se office and they told me it was granted back in February. Your Honor, this is problematic as I sent the pro se office an email (please see attached) on February 17th , with a letter in PDF format, like the pro se office advised me to do. Nobody in the office confirmed this. When I spoke to the head clerk on June 7th, I asked her why I have not received the in forma pauperis ruling and she checked to see if she had the right address, she could not find any address change . I told her that I sent an email back in February with my new address.

Wherefore, I respectfully ask the court to intervene in the above referenced action as plaintiff NEVER consented to a magistrate. In reference to the case with defendant Seel , I need to have the ruling from the court regarding the in forma pauperis, to the address on the email that I sent to the pro se office back in February. Finally Hon. Chen I want to reiterate that I DID NOT sign the consent form for the action above and the action with defendant Seel I also will not sign the consent form .

Respectfully Yours:

Jacqueline Silver
